

## Pollution Prevention Workshops

### BEST MANAGEMENT PRACTICES FOR STORMWATER POLLUTION PREVENTION

**8:30 – 9:30 a.m.** This workshop will provide businesses with information to help prepare for the industrial and commercial stormwater compliance inspections being conducted in Sacramento County. The workshop will focus on common stormwater violations and the pollution control measures that can be taken to help protect the environment. Representatives from the Sacramento Stormwater Quality Partnership and Sacramento County Environmental Management Department will lead this workshop and will be available to answer questions on stormwater regulations. Attendees will receive an informative CD-ROM with BMP information.

#### Who Should Attend:

Industrial and Commercial Facilities

- Automotive repair
- Autobody
- Automotive dealers
- Equipment rentals
