

Preparing and Implementing

Storm Water Pollution Prevention Plans (SWPPPs)

Sponsored by the Sacramento Stormwater Management Program with a feature presentation by the Central Valley Regional Water Quality Control Board

Thursday, June 24, 2004

7:00 AM registration • 7:30 AM – 12:30 PM workshop
COST: \$50/person (continental breakfast included)

North County Coporation Yard (fomer SMUD facility), 5026 Don Julio Blvd
(take the Elkhorn Blvd exit from I-80, turn right on Don Julio Blvd)

What Will You Learn?

This interactive, hands-on training workshop will give you tips for preparing, implementing and maintaining SWPPPs for your construction projects in compliance with the State's General Permit for Construction Activities. The workshop will include a discussion on sampling and analysis requirements.

Who Should Attend?

Contractors, Engineers, Plan Checkers, and Inspectors responsible for preparing, implementing and/or maintaining SWPPPs. It is strongly recommended that attendees have previously completed a basic erosion and sediment control BMP course sponsored by this or another program.

Space is limited!! Advance Registration is required for this Workshop!!

To register:

- Call (916.874.8684) or e-mail (murphyp@SacCounty.net) Paula Murphy to reserve your space.
- Once your reservation has been confirmed, mail in the completed registration form (below), along with your check to reach us **NO LATER THAN JUNE 11**. If we have not received payment by then, we may give your spot to someone else.

Please register me for June 24, 2004 SWPPP Workshop (I have already reserved my space)
